Message: **“There Was Always Enough”**

Scripture: *1 Kings 17:7-16*

7 But after a while the brook dried up, for there was no rainfall anywhere in the land.

8 Then the Lord said to Elijah, 9 “Go and live in the village of Zarephath, near the city of Sidon. I have instructed a widow there to feed you.”

10 So he went to Zarephath. As he arrived at the gates of the village, he saw a widow gathering sticks, and he asked her, “Would you please bring me a little water in a cup?”

11 As she was going to get it, he called to her, “Bring me a bite of bread, too.”

¹² But she said, “I swear by the Lord your God that I don’t have a single piece of bread in the house. And I have only a handful of flour left in the jar and a little cooking oil in the bottom of the jug. I was just gathering a few sticks to cook this last meal, and then my son and I will die.”

¹³ But Elijah said to her, “Don’t be afraid! Go ahead and do just what you’ve said, but make a little bread for me first. Then use what’s left to prepare a meal for yourself and your son.¹⁴ For this is what the Lord, the God of Israel, says: There will always be flour and olive oil left in your containers until the time when the Lord sends rain and the crops grow again!”

¹⁵ So she did as Elijah said, and she and Elijah and her family continued to eat for many days. ¹⁶ There was always enough flour and olive oil left in the containers, just as the Lord had promised through Elijah.

Dear Central,

My name is Emma Hinesley and I am a 20-year-old disabled student in your community. I am looking to raise \$20,000 to help pay for a service dog.

I'm writing to ask for your gracious help with sharing my fundraiser. I know times are recovering slowly after the epidemic so I am not asking for any money directly, only hoping you could bring up my fundraiser to any members who could spread the link to it. Without God's guidance, I would never have had the courage to start this journey, but more than anything else knowing His supporters would have my back kept me strong.

I have grown up going to my local church, even having my preschool education there. Unfortunately, as I got older, I discovered I had a rare genetic degenerative condition known as Ehlers-Danlos Syndrome. It affects the very makeup of my organs and has left me with many cardiac and mobility issues at the age of 20. These issues unfortunately have made it harder to attend church in person, it felt like a curse. I know that our lord works in mysterious ways and instead of feeling like I have been left behind, I have been able to confide in god in the darkest hours of my hospital room. He has given me the strength to ask for help spreading my cause, and it has driven me to request prayers for my fundraising to go well.

My own friends and family have nearly gotten me to my halfway point, seeing everyone band together is seeing god at work. Unfortunately, things are beginning to lose traction and I know I must reach out to my community! By sharing the knowledge and link to my fundraiser you could help me get the help I need.

The fundraiser will go toward paying for training a service dog at Rolling Meadows Academy of Dog Training. Unfortunately, this cost can not be assisted by insurance companies, leaving disabled families to raise money on their own.

If you would like to speak further about my fundraiser, feel free to reach out to me at emmaleehinesley@gmail.com or at (336) 267-5893. I'd love to answer any questions you have and give you more information.

Thank you in advance for your contribution. You have no idea how much it means to me to have your support.

If you would like, please share this link with my story on it <https://www.gofundme.com/f/servicedog4emm!>

Thank you again!

God Bless,

Emma
